Sir:

In response to the Notice of Allowability dated June 25, 2009, kindly enter Applicants' comments on Statement for Reasons for Allowance without prejudice as follows:

**Comments on Statement of Reasons for Allowance**

It is respectfully submitted that while the specific features and relationships mentioned in the Statement of Reasons for Allowance are not disclosed or suggested in the prior art, these are not the only reasons for allowance. For example, the Statement appears to summarize subject matter recited in claims 8 and 19 as not being disclosed in the prior art. However, the dependent claims 8-18, 20-27, and 30-32 recite other features, which also distinguish these claims over the prior art.

Applicants disagree with all undue limiting remarks in the Statement. It should be understood that the allowed subject matter is to only be directed to that subject matter which is recited in the claims. Any remarks in the Statement which add to or subtract from the recited subject matter should be disregarded.

Respectfully submitted,
